the decision for ministerial training institutions to become broader educational institutions that offer courses outside the traditional areas of theology is certainly not unique to a specific geographical context while there are many examples of notable institutions making this transition in north america and europe very little reflection has been carried out in the global south in this book dr semeon mulatu looks to institutions in kenya ethiopia uganda and the democratic republic of congo that have completed or embarked upon the journey to university status the study explores the motivations of educational leaders in pursuing such a transition as well as the impact it has had or will have on the continued theological education and christian mission of the institution here you will find answers to key questions such as what is lost and gained by a seminary becoming a university what are the challenges along the road is it all worth it in the end

a significant contribution to the historiography of religion in the u s south forging a christian order challenges and complicates the standard view that eighteenth century evangelicals exerted both religious and social challenges to the traditional mainstream order not maturing into middle class denominations until the nineteenth century instead kimberly r kellison argues eighteenth century white baptists in south carolina

used the bible to fashion a christian model of slavery that recognized the humanity of enslaved people while accentuating contrived racial differences over time this model evolved from a christian practice of slavery to one that expounded on slavery as morally right elites who began the baptist church in late 1600s charleston closely valued hierarchy it is not surprising then that from its formation the church advanced a christian model of slavery the american revolution spurred the associational growth of the denomination reinforcing the rigid order of the authoritative master and subservient enslaved person given that the theme of liberty for all threatened slaveholders way of life in lowcountry south carolina in the 1790s where a white minority population lived in constant anxiety over control of the bodies of enslaved men and women news of revolt in st domingue haiti led to heightened fears of black violence fearful of being associated with antislavery evangelicals and in turn of being labeled as an enemy of the planter and urban elite white ministers orchestrated a major transformation in the baptist construction of paternalism forging a christian order provides a comprehensive examination of the baptist movement in south carolina from its founding to the eve of the civil war and reveals that the growth of the baptist church in south carolina paralleled the growth and institutionalization of the american system of slavery accommodating rather than challenging the prevailing social order of the economically stratified lowcountry
