we are at a threshold as we face uncertain futures the familiar is falling away this book invites us to embody new ways of being and connecting so we can navigate troubled times together from the bestselling author of the wild edge of sorrow a beautifully packaged collection of 17 essays on meeting this moment with clarity care and skill praise for the wild edge of sorrow it blew me away i underlined things on nearly every page anderson cooper in his singular and inimitable voice psychotherapist and author of the wild edge of sorrow francis weller offers 17 soulful essays to help us move together through the anxieties difficulties and sacred transitions of 21st century life in the absence of the ordinary frames our current era as a rough initiation an upending experience of profound trauma and transformation that demands we reorient our ways of thinking being and relating through essays like some people wake up the gift of restraint and gratitude for all that is weller offers clarity and wisdom on how to face the sobering stakes of our time while offering the nourishment and support we need to embody the new roles this initiation requires section 1 when the bough breaks names our collective traumas and peels back the false armor of modernity we're called to the depths to understand the power of descent and to cultivate the necessary skills of initiation section 2 care of the soul differentiates between the connected soul and the individualistic self inviting us back into alignment with the wider world of belonging we learn to approach our experiences with reverence work with our grief and develop restraint repetition and self-compassion section 3 meanwhile the world goes on gives shape to the emptiness we carry and the ways modernity has severed us from our birthright of interconnectedness with the natural world it offers rituals of gratitude and practices of kinship to restore our bond with the living earth in each essay weller fortifies us to become immense to meet these unpredictable times with presence and faith to restore our souls place in the soul of the world and to hold steady amid and for it all

edited by glen slater senex puer vol 3 of the uniform edition of the writings of james hillman for the first time collects hillman's running encounters with a primary psychological pattern an archetype that arises alongside the very attempt to fashion psychological perspective senex and puer are latin terms for old man and youth and personify the poles of tradition stasis structure and authority on one side and immediacy wandering invention and idealism on the other the senex consolidates grounds and disciplines the puer flashes with insight and thrives on fantasy and creativity these diverging conflicting tendencies are ultimately interdependent forming two faces of the one configuration each face never far from the other old and new maybe the most direct terms for the pair they represent two very different ways of entering the world but are oddly dependent on one another

inhuman relations vol 7 of the uniform edition of the writings of james hillman

contains what could be described as hillman's more clinical writings hillman chose the title *Inhuman Relations* to emphasize the archetypal forces that shape our human interactions the myths behind our messes as he says in this volume with this volume hillman decided to return to his groundbreaking book on soul making *Re-Visioning Psychology* and organize most of essays under that book's original operative headings personifying or imagining things pathologizing or falling apart dehumanizing or soul making and psychologizing or seeing through the 24 essays in this volume illustrate these operations and allow the reader not only to appreciate their wide ranging content but also to become aware of their experiential influence

*The Urban Uncanny* explores through ten engaging essays the slippage or mismatch between our expectations of the city as the organized and familiar environments in which citizens live work and go about their lives and the often surprising and unsettling experiences it evokes the city is uncanny when it reveals itself in new and unexpected light when its streets buildings and people suddenly appear strange out of place and not quite right bringing together a variety of approaches including psychoanalysis historical and contemporary case study of cities urban geography film and literary critique the essays explore some of the unsettling mismatches between city and citizen in order to make sense of each and to gauge the wellbeing of city life more generally essays examine a number of cities including edmonton london paris oxford las vegas berlin and new york and address a range of issues including those of memory death anxiety alienation and identity delving into the complex repercussions of contemporary mass urban development *The Urban Uncanny* opens up the pathological side of cities both real and imaginary this interdisciplinary collection provides unparalleled insights into the urban uncanny that will be of interest to academics and students of urban studies urban geography psychoanalysis cultural studies social studies and film studies and to anyone interested in the darker side of city life

*Moving Jungian Psychology from Types to Images to an Image Based Archetypal Psychology* is james hillman's concern in this volume this volume leads from hillman's principal essay on typology *Egalitarian Typologies versus the Perception of the Unique* to his expansive inquiry into image hillman instigates an active re-visioning re-imagining of psychology as a self-generative activity of the soul an image is given by the imagining perspective and can only be perceived by an act of imagining

this book explores the psychological nature of forgiveness for both the subjective ego and what jung called the objective psyche or soul utilizing analytical archetypal and dialectical psychological approaches the notion of forgiveness is traced from its archetypal and philosophical origins in greek and roman mythology through its birth and development in judaic and christian theology to its modern functional character as self-help commodity relationship remedy and global necessity offering a deeper understanding of the concept of true forgiveness as a soul event sandoval reveals the transformative nature of forgiveness and the implications this notion has on the self and analytical psychology

since the 1980s james hillman the best selling author and founder of archetypal psychology has written and lectured extensively on the presence of animals in our conscious and unconscious lives volume 9 of the uniform edition of the writings of james hillman unites for the first time his papers and lectures on the subjects of animals including *Animal Kingdom in the Human Dream* 1982 *Dream Animals* 1997 *Culture and the Animal Soul* 1994 1997 and *Learning from Animals* 1999
